IRFAN IBRAHIM

3D VISUALIZER

Creative and detail-oriented 3D Visualizer with experience in creating stunning visualizations for architectural and interior design projects. Seeking to leverage technical proficiency and artistic skills to contribute to innovative visualization projects and exceed client expectations.

PROFILE SUMMARY

Profile

- Produced high-quality 3D visualizations and animations for architectural and interior design projects.
- Collaborate closely with architects and designers to understand project requirements and objectives.
- Utilize advanced rendering software such as 3ds Max, Corona Renderer, Vray, Lumion and Enscape to create realistic 3D models, textures, lighting setups, and animations.
- Develop and implement efficient workflows and standards to ensure consistency and quality across projects.
- Communicate effectively with clients to present visualizations, gather feedback, and make necessary revisions.

EDUCATION

Education

B.Sc. Interior Designing and Decoration

Mangalore University, India
Shree Devi College of Interior Design

Experience

2022 - 2024 — **3D VISUALIZER**

Arcins Design Architecture, Kerala, India

- Develop conceptual ideas for 3D Visualization.
- Detailed 3D model.
- Texturing, Lighting setup and Rendering.
- Quality Assurance and Revision.
- Workflow Optimization.

2021 - 2022 — **3D VISUALIZER**

3 Fold Architects , kerala, India

- Concept Interpretation.
- Texturing and Material Application.
- Lighting Setup and Rendering.

2018 - 2021 — **INTERIOR DESIGNER**

Walk3 Designs , kerala, India

- Client Consultation.
- Space planning and Concept development.
- Material and Furniture selection.
- 3D Visualization.

PROFESSIONAL SKILL

Skill

3ds max		Coronarender	
Autocad		Vray	
Sketchup		Lumion	
Photoshop		Enscape	

PORTFOLIO | IRFAN IBRAHIM

B.Sc ID&D

WORKING PROCESS (DESIGN)

- Project Briefing
- Concept Development
- Gathering References *(Reference images)*
- Rendering *(Using different Render engines)*
- Detailed design and final 3D perspectives
